

## BIG CAMPAIGN TO ELECT LOYAL WAR CONGRESS

National Security League Announces Nation-Wide Non-Partisan Participation in Fall Elections.

Active participation by it in the Congressional campaigns, which will shortly commence throughout the country, has been announced by the National Security League. The League declares that unusual measures must be taken to insure the election this fall of a Congress which will stand militantly behind the carrying of the war to a decisive victory.

The entire force of the League's 281 branches and its membership of over 100,000 patriotic American citizens will be thrown into this campaign. The creation of support of the movement outside the League will also be undertaken by means of an active propaganda among the leading citizens of every state in the Union, irrespective of party.

**Elihu Root Takes Lead.**  
Elihu Root, who is Honorary President of the National Security League, at the recent Annual Meeting of the organization laid particular emphasis on the necessity of non-partisan support for the Government in its efforts for the aggressive prosecution of the war and the consequent importance of this year's Congressional elections. The matter was then taken up by the National Executive Committee of the League and the campaign decided upon at a meeting attended by Alton B. Parker, who is Honorary Vice President of the Security League; James W. Gerard, former United States Ambassador to Germany, one of the League's Vice Presidents; S. Standwood Menken, President of the League; Lawrence F. Abbott of the Outlook, and other prominent men.

The League for National Unity and other great national organizations have already endorsed the movement. The leading newspapers of the country are also expressing their approval. The following are a few of the favorable editorial comments which are appearing in all parts of the country:

**Editorial Approval.**  
Williamsport (Pa.) Sun: "The National Security League's effort will have the hearty support of all patriotic voters."

Springfield (Mass.) Union: "This idea is sound and eminently worthy of serious attention."

Des Moines (Ia.) Tribune: "Here in Iowa we may well emulate this example which will lead to victory for Americanism regardless of party designation."

Saginaw (Mich.) News: "This campaign will have a strong and growing following all over the country."  
Helena (Mont.) Independent: "Americans upon whom party lines rest lightly and many who are strong for their party will find reasons for commendation of the plan of the National Security League."

**25,000 Letters.**  
The League's campaign will be conducted by a committee headed by Charles D. Orth, a prominent New York commission merchant. This committee, as a preliminary step, has laid the matter before 25,000 leading citizens in all parts of the country and of all political beliefs in the following letter:

"The conduct of the war and, in fact, the very future of America are dependent not only upon the election of a War Congress that will enact necessary laws, but upon the presence in the National Legislature of men of vision, ability and broad experience, who are the best qualified of our citizenship to correctly solve the great internal and international questions which will come before the next Congress."

**"Grave Duty."**  
"The National Security League, pursuant to unanimous action of its Executive Committee, has taken upon itself the grave duty of impressing these matters upon you and asking you to pledge your service for prompt action to prevent disaster which might follow the election of incompetent or disloyal men to Congress. This can be prevented through definite and concerted action on the part of loyal citizens, who are in the vast majority. Neglect and indifference may prove fatal."

"The remedy is for every one to assume the personal obligation of speaking with or writing without delay to political leaders, newspaper men and others who form public opinion in their Congressional Districts. Make them realize sharply that the need of the nation is the election of men of absolute and unconditional loyalty who are determined to prosecute the war to victory and who possess the strength of character and unquestioned ability to be of real service to the country in this crisis. The problems before the nation are such as to try the very souls of the best men that we can elect."

**Personal Responsibility.**  
"The people of your district will undoubtedly take the right stand if awakened to the political situation in time to secure the highest type of candidates to vote for in the primaries. Every citizen can directly influence results to that end, and we earnestly hope that you will recognize the responsibility of so doing."

**W.S.S.**  
Even in the serious business of preparing for war it appears that our home boys do not forget the taste of the good things from home, for in a recent letter from her son, Sergeant Major F. L. Watts, at Camp Beauregard, Mrs. J. C. Watts noted the request for some doughnuts to be sent "not later than Saturday." Mrs. Watts has a reputation for the making of many delicious dainties and, of course, the request of the Sergeant Major was gladly complied with.

### WHY OLD BACKS ACHE.

Many Pascagoula Old People Have  
Found Backache to be a Sign  
of Kidney Weakness.

What a pity that so many people past middle age are worried with lame backs, aching kidneys, poor eyesight, sick headaches, dizziness, gravel, dropsy or distressing urinary ills. Kidney weakness brings these discomforts in age or youth, and is a dangerous thing to neglect for it leads to Bright's disease and uric acid poisoning. Doan's Kidney Pills have brought new strength to many Pascagoula old people. You will make no mistake by following Mr. Browne's example.

**R. F. Browne**, retired carpenter, Jackson Ave., Pascagoula, says: "Some years ago my kidneys gave me quite a bit of trouble. There was a dull, steady ache through the small of my back and often it was so bad, I was almost laid up. The kidney secretions passed too freely and were highly colored. Doan's Kidney Pills, which I got at Young's Drug Store, were the best medicine I could get. A few boxes corrected all this trouble and did me good in every respect."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Browne had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

### TONS OF KELP LOST.

Marine plants—sea weeds—make excellent fertilizer for lands. It is astonishing to observe the thousands of tons of kelp washed ashore in the Bayou Casotte locality that could be used as a top dressing on the coast lands.

Bumper crops of corn, potatoes, cucumbers, cabbage, turnips, cane and alfalfa could be realized from the free distribution of the ocean's cast off plants. Besides quantities of iodine may be produced from the stems of marine plants.

The collections of this valuable waste would not only give employment to a large number of people, but enrich the soil.
